#### LEGAL:

The County of Chautauqua will issue a Quit Claim Deed, which will convey to the purchaser an absolute estate in fee subject to all easements or rights of way which were in existence at the time of the levy of the tax, the nonpayment of which resulted in the tax sale. The County may cancel the sale and refund purchase monies at any time prior to the delivery (recording) of the Quit Claim Deed.

Perfection of title is at the discretion and expense of successful bidder. The County of Chautauqua will, however, allow the successful bidder or his/her representative to inspect and/or copy all documentation, including proof of service that is a part of the tax foreclosure file. Bidders should consult their attorney regarding any questions regarding the nature of the title they are seeking to acquire.

The County of Chautauqua has obtained the right to sell title to these properties in accordance with the procedures of Article 11 of the Real Property Tax Law of the State of New York and the requirements of the 1983 decision of the Supreme Court of the United States, *Menonite Board of Missions v. Adams*, 462 U.S. 791, 103 S. Ct. 2706, commonly referred to as the Menonite

Taxes on these properties have been delinquent at least since January 2021.

Through the In-Rem tax foreclosure process, the Court has granted the County the right to sell title to the property free and clear of all liens and encumbrances, such as mortgages, judgments, leases, etc., except (1) easements and rights-of-way existing at the time the original tax was levied, and (2) any redemption rights noted for a specific parcel (RPTL 1136).

The County, or its agent, makes no expressed or implied warranties as to the use to which property may be put. It is the responsibility of a potential purchaser to investigate as to any use restrictions (zoning, deed covenants, health, wetland, flood plain, building codes, archeological sites, etc.) that may apply to any of the properties being sold.

Should a court challenge to the foreclosure procedure for a particular property be successful, the County of Chautauqua may either settle with the successful challenger or may return the bid price plus subsequently paid taxes together with interest, if awarded, at the then-statutory rate, at the sole option of the County.
